WELCOME NAVIANCE FAMILY CONNECTION

College Success begins with college awareness. During these pivotal years, it’s important for students in middle school to know that college could one day be an option for them and ensure that high school is a productive time for college preparation.

Naviance helps middle school students to:

- **Gain** college awareness
- **Explore** college majors
- **Learn** about admission requirements
- **Get excited** about postsecondary education

**Career Exploration**

Naviance helps middle school students to:

- **Explore** different careers
- **Connect** interests to career clusters
- **Hear** from leaders in their field
- **Get information on individual colleges**
- **Begin** to imagine their own future
- **Build** your resume

**Self-Assessments**

AchieveWORKS assessments by Human eSources support a personalized learning approach to helping students understand their personality type, learning styles, and unique intelligences. Together, the assessments provide a comprehensive profile of students’ strengths and personal attributes that gives students the tools they need to take charge of their own learning.

**Self-Discovery**

Self-discovery helps students develop confidence and lays the foundation for their future. By uncovering strengths and unique skills, students will see that they have potential. Naviance includes personal assessments that help students create this foundation.

Naviance helps middle school students to:

- **Discover** their strengths
- **Connect** their interests to careers
- **Set goals**
- **Gain confidence** in their plans
- **Strengths Explorer**

**Career Assessment**

Career Key is a career assessment for middle and high school students based on Holland’s interest codes. Career Key’s scientific matching system enables students to identify careers and college majors that match their interests, traits, skills and abilities.
