**Summer Program for Students with Special Needs, Grades 1-9**

*Wed., July 1—Tues., August 11, 2020 (M-F), 8:00am-2:00pm (Grant funded)*

**\*No classes on July 3rd (in observance of July 4th)**

This program is designed for students with Individualized Education Plans (IEPs) who were recommended for an Extended School Year Program. Emphasis will be on Language Arts (reading, writing, listening, speaking), Mathematics, and Science (approximately 180 students).

**Supplemental Academic Summer Program for  
English Language Learners, Grades 1-8**

*Mon., July 6—Thurs., July 30, 2020 (Mon.—Thurs.), 9:00am—1:00pm (Grant funded)*

This four-week program is designed for students who are recent arrivals who are at all levels of English language proficiency. The focus is to assist our young learners with the development of their English as a New Language by engaging them in learning experiences that develop listening, speaking, reading, and writing skills through academic content (approximately 280 students).

**Supplemental Academic Summer Program for Elementary Education  
Students with Special Needs, Rising 2nd through Rising 5th**

*Mon., July 6—Thurs., July 30, 2020 (Monday-Thursday), 9am-1pm*

This program is designed for students with 10 month Individualized Education Plans (IEPs). Emphasis will be on Language Arts (reading, writing, listening, speaking), Mathematics, and Science (approximately 45 students).

**Summer Reading Enhancement Program  
Rising 1st and Rising 2nd graders**

*July 6—July 30, 2020 (Monday—Thursday), 9am -1pm*

This four-week program is designed to provide students with a summer reading opportunity and continue their journey and passion for reading. Students are selected based on academic needs and recommended for the program. Our program will address students' abilities, and strengthen the various competencies of reading in support of the upcoming grade's challenges
