WESTBURY PUBLIC SCHOOLS

Meet the Newly Appointed Teachers in the Westbury UFSD for 2018-2019

Ms. Ashley Hinton, Social Worker at Westbury High School

The Westbury UFSD welcomes Ms. Ashley Hinton, one of our two new social workers at Westbury High School. Ms. Hinton is a New York State licensed master social worker and graduate of the Westbury UFSD who specializes in providing counseling and psychotherapy services. Ms. Hinton has several years of experience working in the field of mental health and has most recently worked as a long-term and permanent substitute for Westbury High School, providing support to the mental health team. Ms. Hinton is actively involved in fundraising for various organizations and has been recognized for her academic excellence by C.W. Post and Adelphi University. Welcome Ms. Hinton!

Ms. Adriana Rojas, Social Worker at Westbury High School

The Westbury UFSD welcomes Ms. Adriana Rojas, one of our two new social workers at Westbury High School. Ms. Rojas received her Bachelor's Degree in psychology from Hunter College and attained her Master's Degree in Social Work from Adelphi University. Ms. Rojas has worked in community mental health clinics serving children and adults with emerging and/or chronic mental health disorders. Additionally, Ms. Rojas has worked in a therapeutic school setting with children with a wide range of developmental delays. Ms. Rojas hold a New York State license in social work, as well as a bilingual education certificate. Welcome Ms. Rojas!

**Dr. Latia Hill-Wallace, Science Teacher
at Westbury Middle School**

The Westbury UFSD welcomes Dr. Latia Hill-Wallace, new science teacher at Westbury Middle School. Dr. Hill-Wallace is a New York State licensed 7-12 biology and general science teacher. Dr. Hill-Wallace graduated from Hampton University with a B.S. in Biology, and then earned Master's and Ph. D. in Microbiology and Immunology from Albert Einstein College of Medicine. Dr. Hill-Wallace also researched Systemic Lupus Erythematosus at Columbia and Northwell Research Center before pursuing her teaching certification at Hofstra University. Dr. Hill-Wallace has several years of experience teaching middle and high school science in both Long Island and New York City. Welcome Dr. Hill-Wallace!

**Ms. Anamar Levine, Science Teacher
at Westbury High School**

The Westbury UFSD welcomes Ms. Anamar Levine, new science teacher at Westbury High School. Ms. Levine is a New York State licensed 7-12 chemistry, biology, general science teacher, and this summer earned her bilingual extension certificate. Ms. Levine graduated from Jersey City University with a B.S. in Chemistry, earned a Master's in Business Administration from Colorado Technical University, and completed a secondary education program at Sierra Nevada College. Additionally, Ms. Levine completed a bilingual education program at Long Island University, Brooklyn. Ms. Levine has several years of experience teaching middle and high school science on Long Island and in Las Vegas, Nevada. Welcome Ms. Levine!

**Ms. Rachel Salazar, Leave
Replacement Special Education
Teacher at Park Avenue School**

The Westbury UFSD welcomes Ms. Rachel Salazar, leave replacement special education teacher at Park Avenue School. Ms. Salazar is a New York State licensed students with disabilities (1-6) and childhood education (1-6) teacher. Ms. Salazar earned a B.S. in Childhood Education from Molloy College and stayed at the same institution to complete her Master's degree in Special Education. Ms. Salazar completed her student teaching in the fall of 2017 and in the spring of 2018, served as a teaching assistant in a school district on Long Island. Welcome Ms. Salazar!
