Welcome to the Westbury UFSD’s Summer Reading Program.

A suggested reading list has been prepared to help you select at least two enjoyable books for reading during the summer. For students in Bilingual classes, one title must be chosen in English and the other in your home language. Don’t forget to visit the public library for more grade level choices.

If you are unable to get to the Public Library, use an online resource: Destiny eBooks, Titlewave, RAZ Kids, World Book Online, or epic Books.

Nonfiction Book (Informational Text)

Title: _________________________________
Author: _______________________________

Three facts I learned… (Including page number)
1. _____________________________________________________________________________
2. _____________________________________________________________________________
3. _____________________________________________________________________________

One Key Idea…. Found on page _______

The most interesting thing I learned:

___________________________________________

___________________________________________

___________________________________________
It's easy, all you have to do is…

Step 1. Read at least two books during the summer that you have not read before. One must be fiction and another nonfiction.

Step 2. Report on the two books you've read by answering the questions for each book and having your parents sign your completed survey.

Step 3. Return all your completed assignments by September 25th to your School Librarian.

Good Luck and Happy Reading!
