Arrival and Dismissal Plan.

Arrival

Park students are welcome to arrive at school at 8:45 AM for breakfast or line-up. We do not have supervision for students prior to 8:45AM. During warm weather, grades 1 & 2 line-up on the black top on the north end of the front of the school. Students in grades 3-5 line-up on the black top behind the school building.

During inclement weather, first graders will sit in the auditorium and all other students will line-up in the hall outside their classrooms.

Dismissal

Students are escorted to the dismissal areas beginning at approximately 2:50PM. All students that ride the bus are taken to the outdoor waiting area at the north end of the front of the school building. During inclement weather they wait in classrooms along the northeast corridor until their buses arrive.

First graders that are picked up by a parent or child care provider are escorted to the library. Second graders waiting to be picked up by a parent or childcare provider are taken to the auditorium. All students that go to private daycare facilities are also assigned to wait in the auditorium. These students are signed out from appropriate persons who present photo identification.

Classroom teachers escort their third, fourth and fifth grade students to the gym for pick-up by parents or child care providers. Individuals receiving the students must present photo identification. On the way to the gym, the teachers dismiss those students that have parental permission to walk home alone through the exit in back of the building.
