Reading Enhances Achievement During Summer
Incoming 5th Graders

You are invited to participate in Westbury UFSD’s Summer Reading Program.

A **suggested reading list** has been prepared to help you select enjoyable books for reading during the summer. For students in Bilingual classes you must choose one **title in English and the other in your home language**. Don’t forget to visit the public library for more grade level choices.

If you are unable to get to the Public Library, use an online resource: Destiny eBooks, Titlewave, RAZ Kids, or World Book Online

This booklet belongs to:__________________________________________________________
It's easy, all you have to do is...

1. Read **two** books during the summer that you have not read before. One must be **fiction** and the other **nonfiction**. 
   - Answer the questions for each book you have read. 
   - Have your parents sign your completed summary. 

2. Return all your completed assignments by September 29th to your School Librarian.

**Good Luck and Happy Reading!**
