WESTBURY PUBLIC SCHOOLS
BE EXCITED ABOUT READING
In Collaboration with
WESTBURY PUBLIC LIBRARY

SUMMER READING PROJECT
THE B.E.A.R. CHALLENGE

- Suggested summer reading lists will be provided by grade, integrating fiction and non-fiction texts at www.westburyschools.org (Summer Programs)
- Students will be provided support (if needed) through the Summer School Programs as well as the Westbury Public Library
- Students will be expected to complete a grade-level reading/writing project
- Completed summer projects will be required to be submitted to the 2013-2014 teachers

Elementary School
students will be provided with differentiated activities that connect to literacy development and reading for enjoyment!

Middle School
students will select a novel and choose from a menu of options to complete an assignment during the summer.

High School
students will complete Advanced Placement required summer projects in collaboration with Westbury Public Library and participate in the Teen Summer Reading Club’s “Dig into Reading and Beneath the Surface.”
Encourages students to become life-long readers
Supports literacy development
Promotes a long-lasting partnership with the Westbury Public Library http://www.westburylibrary.org/kids

Summer Reading Projects are posted on the Westbury Public Schools website www.westburyschools.org
